

Little Red School House *presents*

Fathers Group

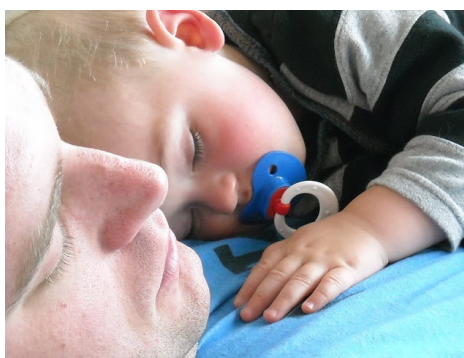

A program for any man who provides primary personal and emotional support for a child age 0-3 enrolled with Little Red School House.

1st Wednesday of the month, 6:00-7:30pm

This program is an opportunity for fathers to interact with other dads, to share mutual joys and concerns, and to gain increased expertise in parenting a child with special needs.

The Fathers Group provides important peer support, opportunities for father/child interaction, educators discussing subjects of importance to dads, social occasions for the entire family, and strategies for fathers to be increasingly competent, confident caregivers.

There is ***no charge*** for this program. Fathers are encouraged to bring their children ages 0-5 with them, as child care will be provided for children in that age range. The group meets at Little Red School House, 3210 200th Pl SW, Lynnwood, WA, 98036.

Please **RSVP** so that we can reserve child care. To RSVP, and for further information, contact Dave Calhoun at 425-328-4528 or david.calhoun@littlered.org.
